ROHAN ASIF

Milwaukee, WI | (414) 216-8208 | rohanasif08@gmail.com | linkedin.com/in/rohanasif08 | github.com/wiserohan

SUMMARY

University of Wisconsin–Milwaukee undergraduate intending to study Computer Science, with experience in customer service and web development. Combines clear communication, careful attention to detail, and steady independent problem-solving across frontend builds and AI output evaluation.

EDUCATION

University of Wisconsin–Milwaukee *Milwaukee, WI*

Undergraduate Student | Intended Major: Computer Science

Ronald Reagan College Preparatory High School *Class of 2026*

- International Baccalaureate Career Programme (IB CP); NAFTrack Certified; GPA: 3.14

TECHNICAL PROJECTS

WATEREDXWN | Film & Animation Archive (wateredxwn.com) *HTML5, CSS3, JavaScript, Cloudflare*

- Built and deployed a live portfolio site for Milwaukee director Joshua Borg with custom typography, mobile layout support, and interactive CRT television archive views.
- Set up inline SVG favicons, Open Graph link preview tags, and Cloudflare hosting.

Personal Portfolio & Interactive Web Lab *Next.js, TypeScript, React, Tailwind CSS, Framer Motion*

- Built a personal portfolio with a 2D spring-physics canvas, scroll-synced navigation, and a dedicated live-sites showcase page.
- Created four playable browser demos: a Web Audio step sequencer, coordinate pinboard, live expense splitter, and spring-physics sandbox.

EXPERIENCE

DICK'S Sporting Goods | Customer Service Associate *Present*

- Assist customers with product questions and in-store needs while communicating clearly and professionally.
- Process register transactions accurately and coordinate with coworkers during daily store operations.

Pet World Warehouse Outlet | Sales Associate *June 2024 – December 2024*

- Helped shoppers with product inquiries and handled register transactions reliably.
- Restocked inventory, organized sales floor areas, processed deliveries, and followed store procedures.
